Spring ProCURE meeting

Venue: Institut Josep Carreras (IJC) Auditorium, Can Ruti Campus
July 14 2022
Parking: P3 “Tanatori” Badalona (funeral home)

Agenda
9:00 – 9:15 Welcome – Ramon Salazar. CEO Catalan Institute of Oncology. Jordi Barretina. Director IGTP. Director IJC TBC.

9:15 – 12:10 Session I. Invited speakers from Can Ruti Campus
Chair: Sara Cabrero de las Heras. Resistance, chemotherapy and predictive biomarkers group; ProCURE IGTP.
9:15 – 9:55 Núria de la Iglesia, IrsiCaixa AIDS Research Institute, Can Ruti Campus. Development of Neoantigen-based Vaccines Against Solid Tumors
9:55 – 10:35 Anna Martínez-Cardús, B-ARGO; Germans Trias I Pujol Research Institute (IGTP).
Identifying resistance to targeted therapy in BRAF-mutated melanoma: selecting the best therapeutic option.

11:00 – 11:25 Coffee break

11:30 – 12:10 Biola Javierre, Josep Carreras Leukaemia Research Institute (IJC) & Germans Trias i Pujol Research Institute (IGTP).
Low input capture Hi-C: a new method to decipher the molecular mechanisms underlying non-coding alterations
12:10 – 12:50 Eduard Serra, Germans Trias i Pujol Research Institute (IGTP).
Modeling and analyzing tumors of the peripheral nervous system.

12:50 – 14:00 – Session II. ProCURE presentations
Chair: Noel Gómez. Leukemia and Immuno-Oncology group, PROCURE; IJC.
12:50 – 13:15 David Garcia-Mollevi, Resistance and predictive factors to tumor response and stromal microenvironment group, ProCURE; IDIBELL.
Prospective complete histopathological characterization of liver metastases from colorectal carcinoma to predict the histopathological growth patterns by medical imaging
_Vulnerabilities of tumor and stream interactions in Germ Cell Tumors._

13:35 – 13:55 Ferran Medina-Jover, Resistance and molecular signaling group, ProCURE; Universitat de Barcelona (UB) and IDIBELL. 
_Desciphering the regulators of the metabòlic shift between HR-proficient and HR-defective ovarian tumors_

14:00 – Closing Remarks – Local Organizers and Miquel Angel Pujana

14:30 Lunch at the IJC roof terrace (only ProCURE members, invited speakers and directors)
