

IGTP Annual Symposium

30 years of Research and
Networking across the Campus

Wednesday, 5 November | 9:30 - 16:30

BCIN

Objectives

The objectives of this meeting are to showcase some of the ground-breaking research carried out on the campus over the last 30 years and provide a forum for networking and synergies for the IIS-IGTP community.

Intended Audience

This event is open to all researchers employed by IGTP and those with an affiliation agreement as part of the Instituto de Investigación Sanitaria (IIS) - IGTP at the Can Ruti Campus. Advance registration is required to attend.

With the participation of the IIS IGTP institutions:

IGTP Annual Symposium

30 years of Research and
Networking across the Campus

PROVISIONAL PROGRAM

9:30

Welcome & Opening Remarks from the IGTP Directors

Jordi Barretina, Director IGTP

Julia García-Prado, Scientific Director IGTP

9:45-10:25

Keynote Lecture: A vision of the IGTP 1995 - 2025 inside and out

10:25-10:50

Quiz: What do you know about 30 years of research at the IGTP?

10:50-11:35

30 years of scientific breakthroughs

SESSION 1: IIS IGTP Origins

3 Short talks on three areas of translational research excellence: then and now

11:35-12:15

Group photo Coffee break and poster session

12:15-13:15

30 years of scientific breakthroughs

SESSION 2: Current Programs and Projects

4 Cutting-edge projects at the IIS IGTP

13:15-14:00

30 years of scientific breakthroughs

SESSION 3: Innovation and Future Projections

3 Talks on the most forward-looking projects currently underway in the IIS-IGTP and indications of the future for our research

IGTP Annual Symposium

30 years of Research and
Networking across the Campus

14:00-15:15

**Lunch and Networking
Poster session**

15:15-16:00

Round table: 30 years of progress

A round table session with important contributors to the last 30 years successes and current key opinion leaders to reflect on research at the IIS-IGTP in the following decades.

16:00

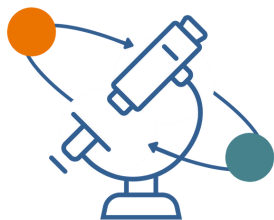

Prizes for best abstract and best poster

16:25

Closure

16:30

Virgin cocktail, networking and posters

IGTP Annual Symposium

30 years of Research and
Networking across the Campus

Organisers

- **Jordi Barretina**, Director, IGTP
- **Julia García-Prado**, Scientific Director IGTP, Viral Immune Evasion and Vaccines Group (VIRIEVAC) IrsiCaixa

Scientific Committee

- **Cristina Agustí**, Senior Researcher, CEEISCAT, IGTP, CORE Program
- **Ramon Bartolí**, Translational Research in Hepatic Diseases
- **Cristina Casanova/Ariadna Huertas**, NURECARE
- **Marcel·la Franquesa**, Research in Kidney Affecting Diseases Group (REMAR)
- **Noemí Párraga**, Clinical and Environmental Infectious Diseases Study Group (CEID)
- **Santiago Roura**, Heart Failure and Cardiac Regeneration (ICREC)
- **Maria Saigi**, B-ARGO and CARE Program

Technical Secretariat

- **Harvey Evans**
- **Raquel Rionegro**
- **Meritxell Nevado**
